

Pandemic prevention of CoVid-19 (Corona virus) - Self-assessment

Status: 19.08.2021

Dear visitor,

the safety and health protection of all persons staying on our premises is always very important to us. Therefore, we are taking additional precautions to protect you, other visitors and our employees from CoVid-19 infection as much as possible and to help slow down the spread of the corona virus.

Please answer the following questions. If you do not want to or cannot answer the query, we are unfortunately unable to grant you access to the factory premises.

Your data will be treated confidentially and will not be passed on to unauthorized third parties. This questionnaire will be destroyed after 6 weeks.

First name, surname	
Company	
Mobil phone <i>(voluntarily, for any further questions)</i>	
Date of the visit	
Contact at the MR Group	

	yes	no
1) I confirm that I have been fully vaccinated, have recovered from a corona infection or have received a negative corona test result (PoC or PCR test) within the last 24 hours.	<input type="checkbox"/>	<input type="checkbox"/>
2) I confirm that I have not been in close* contact with a person with proven CoVid-19 in the last 14 days <i>This also applies to contact with a person with cold or flu-like symptoms, provided there is no negative PCR test result (yet).</i>	<input type="checkbox"/>	<input type="checkbox"/>
3) I confirm that I currently have no flu-like symptoms such as fever, cough or breathing difficulties	<input type="checkbox"/>	<input type="checkbox"/>
4) I confirm that I have not stayed in any high risk area within the last 10 days or in any virus variant area within the last 14 days according to the RKI list or that I comply with the requirements of the Coronavirus entry regulation.	<input type="checkbox"/>	<input type="checkbox"/>
5) I confirm that I have read and understood the additional safety instructions provided in connection with the CoVid 19 pandemic and that I will comply with them during my stay on the factory premises.	<input type="checkbox"/>	<input type="checkbox"/>

* Closer contact is defined as

- Close contact (<1.5 m, near field) longer than 10 minutes without adequate protection ¹⁾
- Conversation with the case (face-to-face contact, <1.5 m, regardless of the duration of the conversation) without adequate protection ¹⁾
- Simultaneous stay of the contact person and the case in the same room with a likely high concentration of infectious aerosols, regardless of the distance, for > 10 minutes, even if MNS (mouth and nose protection) or FFP2 mask was worn continuously and correctly.

¹⁾ adequate protection = case and contact person wear MNS [mouth and nose protection] or FFP2 mask continuously and correctly

If you answered **no** to any of the questions, please get in touch with your MR Group contact person **by phone** to discuss the further procedure.

If you have answered all questions with **yes**, please hand in the completed questionnaire at the respective reception.

Please note the additional security measures mentioned above and always implement them. Please understand that we will be forced to expel you from the factory premises if the safety instructions are disregarded.

I hereby confirm that I have answered the above questions truthfully and have also read and understood the rest of this letter.

Date: _____; Signature: _____

I voluntarily agree that my details may be collected and processed for the purpose of pandemic prevention. I have read and understood my rights and the enclosed information on data protection.

Date: _____; Signature: _____

Information and your rights to data protection

For what purpose we process your data

We process your data as a precautionary measure to prevent the spread of an infectious disease (pandemic prevention) and to protect all persons staying on our premises from infection.

Which data are collected from you

Your first and last name, company, your assignment on the premises of MR GmbH, whether you have had significant contact with a COVID-19 sufferer and whether you comply with the guidelines and whether you suffer from flu-like symptoms such as fever, cough or breathing difficulties.

On which legal basis do we process your data

Article 6(1)(a) of the European Data Protection Basic Regulation.

You give us your consent to the processing of your personal data for the designated specific purpose.

Who are the recipients of your data

Your data will be forwarded to the person in charge of our company named for you, to the security service commissioned by us, on request to responsible authorities (e.g. health authorities) and in emergencies to rescue and emergency services.

How long do we store your data

This questionnaire will be destroyed after 6 weeks.

Revocation

You can revoke your consent given to us at any time with effect for the future. If you revoke your consent, the legality of the data processing carried out up to that point will not be affected.

Please send your revocation (informal) to:

Data protection coordinator:
Maschinenfabrik Reinhausen GmbH, Mr. Martin Kuttenberger, Phone: +49 941 4090-225, E-Mail:
m.kuttenberger@reinhausen.com

As a data subject, you have the right

- to obtain confirmation as to whether personal data concerning you are being processed; if this is the case, you have the right to be informed of this personal data and to receive the information specified in Art. 15 DSGVO.
- immediately request the correction of personal data concerning you and the completion of incomplete personal data, Art. 16 DSGVO.
- that personal data concerning you will be deleted immediately if one of the reasons listed in Art. 17 DSGVO applies.
- to demand restriction of processing if one of the conditions listed in Art. 18 DSGVO is fulfilled.
- that we transmit your data to others at your request, Art. 20 DSGVO.
- to object at any time to the processing of personal data concerning you. We will then no longer process your personal data, unless we can prove compelling reasons for processing that are worthy of protection, which outweigh your interests, rights and freedoms, or the processing serves to assert, exercise or defend legal claims, Art. 21 DSGVO.
- on complaint to a supervisory authority if you believe that the processing of personal data relating to you is in breach of the DPA, Art. 77 DPA You may assert your right before a supervisory authority in the Member State in which you are resident, your place of work or the place where the alleged infringement takes place. In Regensburg is the competent supervisory authority:

Bayerische Landesamt für Datenschutz in 91522 Ansbach.
