

**BUREAU VERITAS**  
Certification

## Certificate

awarded to

### Maschinenfabrik Reinhausen GmbH

Falkensteinstr. 8  
93059 Regensburg, Germany

Bureau Veritas Certification certifies that the Management System of the above organisation has been assessed and found to be in accordance with the requirements of the standards detailed below.

#### Standard

**DIN EN ISO 9001:2015**

#### Scope of application

Sales, planning, development, manufacturing, prefabrication and assembly of on-load tap-changer and off circuit tap-changers with motor drives and electronic regulating systems for power transformers, production of reactors and other miscellaneous wound components, insulating tubes of glass fiber reinforced polymers and hollow composite insulators, systems, components and measuring devices for high-voltage/high current testing, electrostatic precipitators and power supplies, reactive power compensation systems and improvement of power quality, measuring, monitoring, analysis, control and protection devices respectively service on operating control systems for transformers

Certification cycle start date: **16. November 2019**

Subject to the continual satisfactory operation of the organisation's Management System,  
this certificate expires on: **15. November 2022**

Bureau Veritas Original certification date: **07. August 1998**

Certificate n° : **DE009678-1**

Date: **08. November 2019**
