Product Discontinuation

Dear business partner,

As part of our ongoing optimization processes and portfolio streamlining, we have discontinued the following products from our product range.

+ Temperature Transmitter CU 10 material number 77765100

Spare parts are no longer available.

We recommend the MESSKO® combi well as a replacement product.

+ MESSKO-SENSOR TT-TM40 material number 71669400/71669401

Spare parts for this product are still available.

No successor product is offered.

+ MESSKO® PWM61/PWM62 Digital temperature sensor

- PWM 61 100mm material number 1015765500
- PWM 62 50mm material number 1015765700

Spare parts are no longer available.

No successor product is offered.

We would like to inform you that the material is no longer available and can no longer be ordered.

There are many reasons for discontinuing a product. Technological requirements have changed, or the availability of high-quality components is no longer guaranteed.

Please also forward this information to the departments responsible for product discontinuations in your company.

Do you have any questions? Please contact us.
