General information	
Operator:	
Date:	
Contact partner:	
E-mail address:	
Telephone number:	

Plant data	
MR reference / order number:	
Installation site:	
Address:	
Manufacturer:	
Type / Designation:	
Application:	<input type="checkbox"/> MSCDN <input type="checkbox"/> Compensation <input type="checkbox"/> Harmonic Filter <input type="checkbox"/> Active filter <input type="checkbox"/> Statcom <input type="checkbox"/> Other: _____
Nennleistung [MVar]:	

Plant data	
Nominal voltage [kV]:	

Fault description	
1. Date and time of the fault	
2. Other information/ description of the fault:	
3. 3. Were there any abnormalities detected on the system before the fault occurred?	
<input type="checkbox"/> Yes	<input type="checkbox"/> No
If yes, which ones and when?	

Fault documentation

Please take photos of the damaged components and forward them to MR.
