### ASSET MANAGEMENT GUARANTEE: 
**TRANSFERRING COMPLETE SERVICE RESPONSIBILITY FOR YOUR TRANSFORMER TO MR**

#### YOUR CHALLENGES
- Your transformer must work reliably
- Employees need to be trained to ensure expert knowledge of the transformer
- High investments (CAPEX) are necessary to operate aging assets optimally (e.g. monitoring systems)
- Focusing on your core business must have top priority
- A changeover to condition-based maintenance can be costly
- Extensive coordination of various service providers is necessary

#### OUR SOLUTIONS
- We take over service responsibility for your transformer (long-term service contract)
- With our 24/7 online monitoring, we know whether there are problems before your transformer does
- In the event of an error, the asset management guarantee provides financial compensation
- We provide and manage the transformer service so that you can concentrate on your core business
- Under a tailor-made service contract, we trim your transformer to excellence and ensure that it stays that way
- In case of emergencies, we are immediately on site
TRANSFORMER PERFORMANCE MANAGEMENT BY MR

- Detailed initial analysis using our proven FLEETSCAN 2D methodology
- Installation of online monitoring devices with real-time monitoring (24/7), data analysis and evaluation, and determination of planned shutdowns - individually coordinated with the customer
- Regular inspections and routine maintenance during planned shutdowns (incl. thermography of the transformer)
- Protection from maintenance-dependent outages through an availability guarantee

Your benefits
- Maximization of asset life through VDE-verified and reliable services
- No CAPEX necessary – MR installs state-of-the-art monitoring equipment right at the start of the contract
- Optimized lifecycle costs and detailed planning of a maintenance budget
- Planning reliability for transformer operation and replacement
- No maintenance-related downtime thanks to availability guarantee with pre-determined conditions
- Financial security through our insurance partners who stand behind our promise with full conviction

You can concentrate on your core business while MR takes over complete service responsibility for your transformer
